QUANTUM FOODS

Sir,

We would like to take this opportunity to humbly convey our gratitude in the initiative that Quantum Foods has embarked on in ensuring that the ideal of "Thuma Mina" has been embodied in your company. This ideal is for individuals/companies to take on the responsibility of bringing change that is so earnestly required in our country.

ZAPA farm is a 100% black Female owned business that currently have a capacity of 7000 layers, and we are in possession of an EIA to increase our capacity to 120 000 layers. We were pleased to hear that Quantum Foods has a 2-3 years programme to capacitate emerging farmer to grow.

Thank you again from the bottom of our hearts for the 3000 layers and 40 bags(20 tons) of feed that were received from Quantum Foods and we commit that the seed that you have sowed will bear fruits that we are both going to be proud off.

We have also started buying eggs from Quantum Foods to assist with our high demand for eggs as our current capacity does not satisfy our market.

Siyabonga kakhulu. Kwande lapho nithathe khona

Kindest regards

Beverly Mhlabane
